MARGARITA

INGREDIENTS

12 Shots of Tequila
4.5 Shots of De Kuyper Triple Sec
6 Shots of Lime Juice (freshly squeezed)
6 Teaspoons of Caster Sugar

HOW TO MAKE

One of the few cocktail recipes we would suggest having ice in the pitcher, due to the high concentration of alcohol in the recipe. Build ingredients in pitcher and stir vigorously. Strain into the martini glass before serving, so there are no ice cubes in the glass!
